

October 24, 2005 – Maxion Participates in DOE CAP

Maxion participated in the Department of Energy's Commercialization Assistance Program, which culminated with a presentation at the Commercialization Opportunity Forum held at the Sheraton Premiere in Vienna, VA on October 24<sup>th</sup> and 25<sup>th</sup>, 2005. Maxion met with several potential strategic partners and investors at this event, and dialogue with several of the forum's attendees continues today.
